

To Whom It May Concern,

Eternal Surrender, a 501(c)(3) nonprofit organization, invites you to become a sponsor of our 5th annual Monkey Run event in historic downtown Fort Worth, TX on April 12, 2025!

Founded as a faith-based organization, designed to assist families after the death of a child, Eternal Surrender has helped numerous families by providing them with respite during painful holidays or anniversary dates. We have also hosted and/or facilitated Bible studies where grieving parents can come together and study what God's word says about finding hope while navigating great pain. We offer free pastoral counseling or financial assistance with final expenses. Additionally, we are in the process of writing a book which is a compilation of several family's stories, and a corresponding workbook, which helps loved ones navigate the grieving process with God's word.

We are excited for you to join us at any sponsorship level! Attached are the sponsorship levels and perks. All contributions are 501(c)(3) tax-deductible per IRS requirements.

You can find out more about Eternal Surrender at our website: www.EternalSurrender.com. You can find more information about the Monkey Run at www.MonkeyRun.Org.

Contributions may be made any time during the year. If you'd like to sponsor at the Silver Level or above for your name/logo to be on the event shirts, payment should be remitted by March 25th. Thank you for making a difference in these families lives!

Thank you in advance for your participation!

Eternal Surrender

Eternal Surrender is a 501(c)(3) nonprofit organization that provides help to families after the death of a child.

There is never an “escape” from the pain, but Eternal Surrender offers families a chance to be together privately, giving them a chance to catch their breath and refresh their souls.

Anniversary dates, birthdays and holidays can be excruciatingly painful for these families. Often times expenses from funerals, loss of work and monthly bills seem more than one can bare.

Eternal Surrender also offers for bereaved parents to attend grief retreats where they can come together and share their hearts with others who understand the pain that accompanies the loss of a child.

The founders of Eternal Surrender are currently working on a book and study curriculum to come alongside these families in an even deeper way.
